REQUEST BY MEMBER OF THE MILITARY FOR CANCELLATION OF AUTOMATIC ABSENTEE BALLOT MAILINGS TO OUTDATED MAILING ADDRESS

This form is only for members of the military who listed an out-of county mailing address with the county elections office due to being stationed outside their county of residence, but who have since returned to their county of residence and need to ensure that ballots are not mailed to their out-of-county mailing address.

I,, fi	lled out a request for an absentee ballot
	which I identified myself as a member of the military.
The Montana county in which I requested an ab	osentee ballot is
By law, the Absentee Request required the Cou	anty Election Administrator to automatically mail a
ballot to me for all elections in the calendar year	ar in which I requested ballots and for the next two
(2) Federal General elections. At the time of m	y request I was in the military and being stationed
away from my residence county, so the mailing	g address I listed on the form was outside the county.
As of/ I am no longer station	ned away from my residence county.
I am signing and returning this form l	pecause I DO NOT want a ballot
automatically mailed to me for upcoming elections at the address at which I was	
stationed. After sending in this completed	form, I understand that I may choose to vote in
person at my polling place or vote by comple	eting a new absentee ballot request with a current
mailing address. I also understand that my	mailing address on file with the elections office
will be my <u>residence</u> address, unless I update	e my mailing address with the elections office.
I understand that by signing this form I will	<u>not</u> automatically have an absentee ballot mailed
to me at the address stated on my absentee r	equest. I further understand that should I choose
to absentee vote I will need to complete a new	w absentee request with a CURRENT MAILING
ADDRESS in order to receive an absentee be	allot. The new request will need to be sent to the
Election Administrator in the county in which	ch I am registered to vote.
